- **What is a Parrot Head?**

A Parrot Head is an avid fan of Jimmy Buffett's music. Being a Parrot Head is a lifestyle, a state of mind. A Parrot Head is anyone who enjoys the tropical atmosphere and spirit created by Jimmy Buffett through his music, books, and plays. A Parrot Head exists (if only in the mind) in a place where the seawater is warm, the trade winds blow gently, and the ice in the boat drink doesn't melt too fast.

- **Who is Phin City PHC?**

Phin City PHC is a not for profit organization whose purpose is to assist in the community. The club raises money for and supports area charities and helps with local environmental concerns. The club has adopted a Florida Manatee and donated hundreds of pounds of canned goods and clothing as well as monetarily to area charities and homeless shelters.

Phin City PHC is affiliated with the National Parrot Heads in Paradise organization, which currently consists of over 150 clubs in the United States, Canada, and Australia. In addition, the club provides a variety of social activities for people with similar tastes and interests. Phin City PHC is a club for anyone who enjoys the tropical atmosphere and spirit created by Jimmy Buffett.

- **Monthly Meetings "Phlockings"**

At our monthly meetings we visit with old friends and make new ones. We drink, we sing and dance to live entertainment, we give away 'parrotphernalia' while raising money for charity. We announce upcoming club activities, and we simply have a great time.
